## Why Libraries Love the Spectrum Light Lab

**Builds Early Literacy Through Play**  
Encourages conversation, storytelling, and vocabulary development.

**Supports STEAM Learning**  
Hands-on exploration of light, color, and problem-solving.

**Inclusive for All Learners**  
Accessible, open-ended play for all children

**Extends Storytime & Programs**  
Pairs easily with books, stories, and themed library activities.

**Encourages Creativity & Imagination**  
Inspires design, dramatic play, and creative expression.
